**Jaycees Meet Tonight With New Officers**

Members of the Torrance Junior Chamber of Commerce, formed three weeks ago, will meet for the first time tonight under the leadership of their new officers.

The six officers and three members of the board of directors who will guide the Jaycee during its first year were elected last Friday evening by 24 members attending the organization's second meeting in the City Council chambers.

Heading the group is Howard J. Percy as president, Ralph Jakubowski, first vice president; Harvey Abramson, second vice president; Leland Franz, secretary; Edwin Karlow, treasurer; and Bill Peckham, sergeant-at-arms.

Chosen as members of the board of directors were Charles Schultz, Bob Lewellen and John Phillips. The election was conducted by Bill Peacock, president of the San Pedro Junior Chamber of Commerce.

At last Friday's meeting the Torrance group amended and approved a 15-article constitution which will govern the organization. The constitution is scheduled to be adopted this evening.

Temporary officers of the group last Thursday evening attended a dinner meeting at the Altadena Country Club in honor of Cliff Cooper, recently elected national president of the Junior Chamber of Commerce.

Cooper urged the Torranites to speed up their organizational activities in order that they may be chartered as the 100th California Jaycee club.

Percy stated that membership in the organization still is open, and urged that men interested in joining the organization attend tonight's meeting, which is slated to begin at 7:30 p.m.

The 28-voice group, under the direction of Robinson, minister of music, last week completely filled the choir loft, he said.
